# The Awakening Call to:

## Holiness!

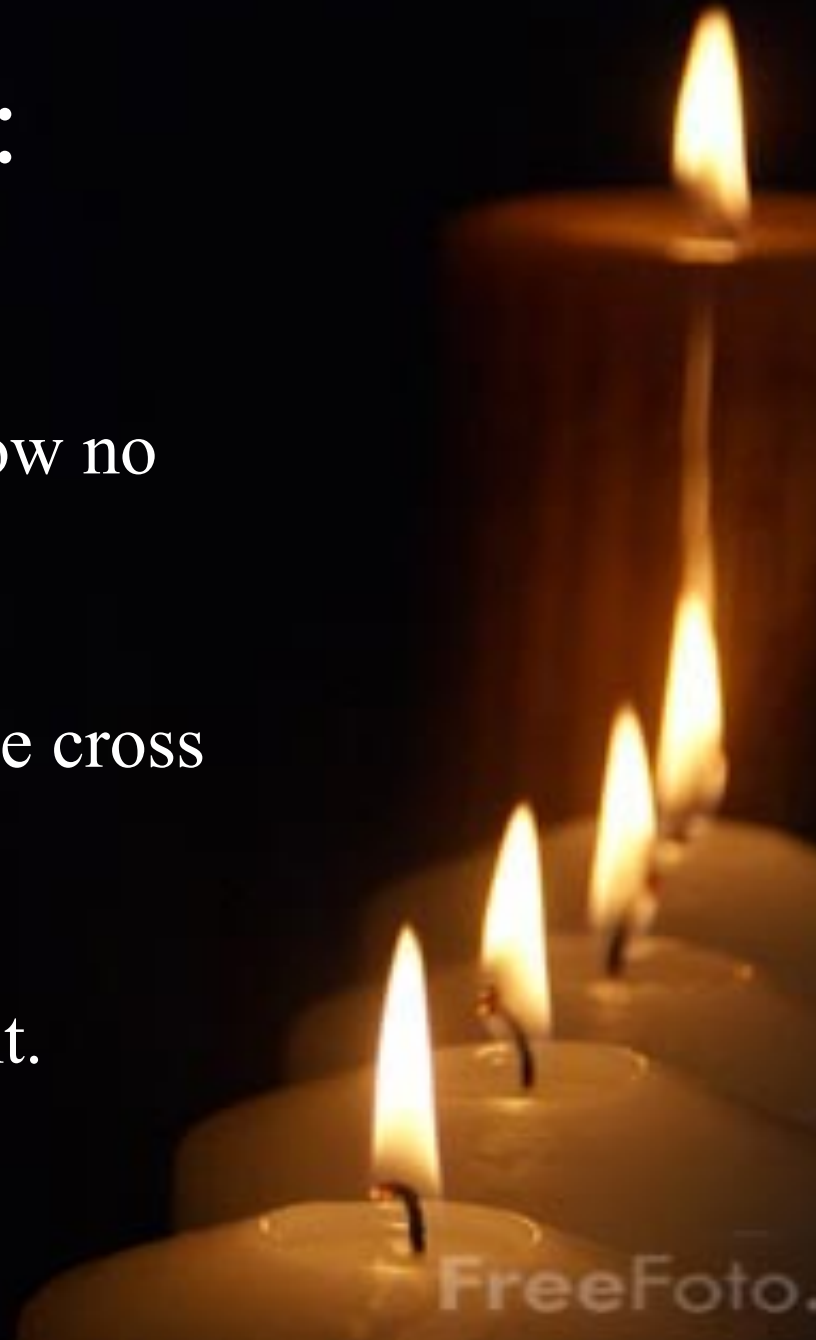

- D.L. Moody has said, “Lighthouses blow no horns, they just shine!”

## Unselfishness!

- As Christians, we must stand behind the cross so that Christ is exalted.

## Declaration!

- We must go & bear witness of the Light.

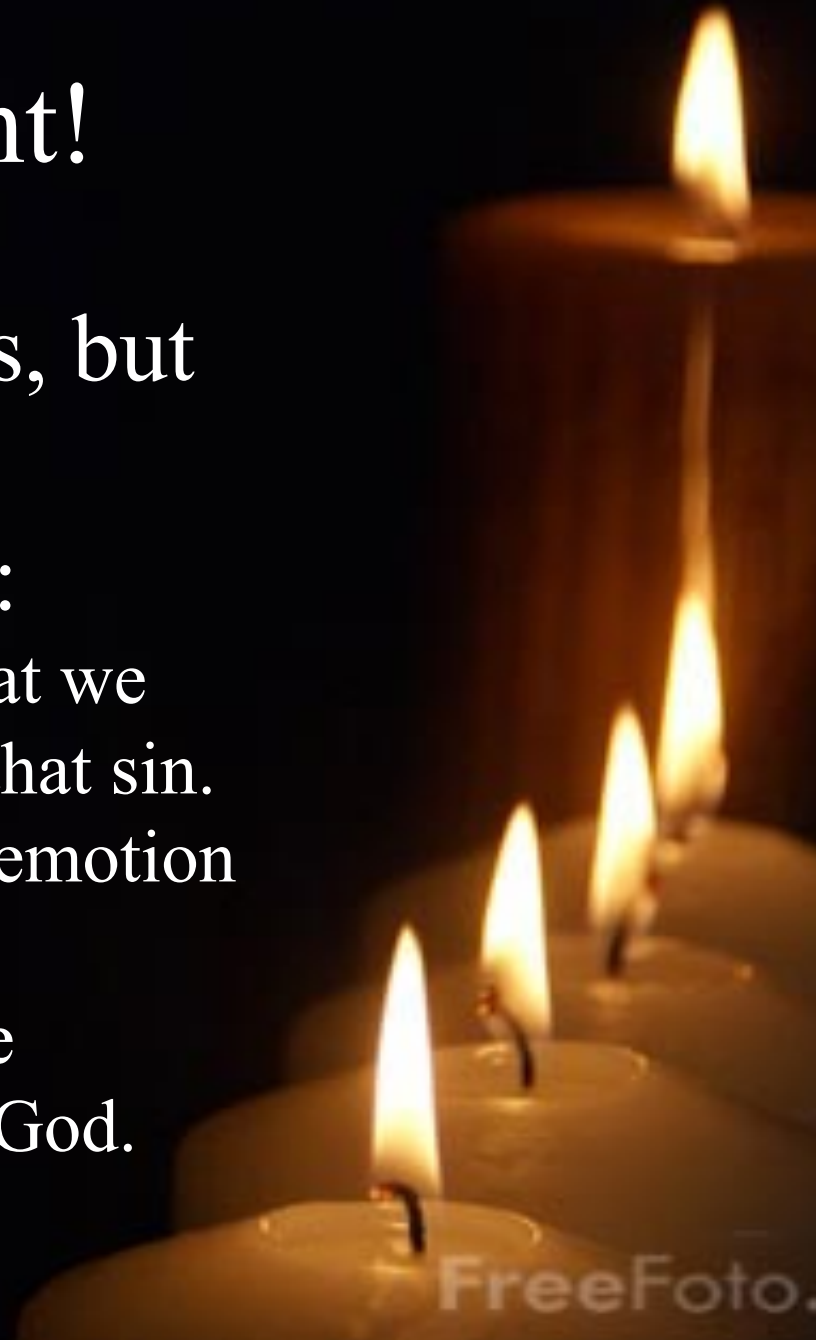

# The Dawning of the Light!

Man is not in a world of darkness, but blind in a world of light!

The dawning of the Light causes:

- Repentance – Truly sorry for the sin that we have committed & turning away from that sin.
- Love – God's love becomes the ruling emotion within us. I John 4:19-21
- Prayer – The person who lives their life praying, lives openly before the living God.

# The church needs to respond!

We must shine the Light of Christ to the lost world around us!

We must be a people of:

- Holiness
- Unselfishness
- Declaration
- Repentance
- Love
- Prayer
